

SERVICE ANIMALS ARE WELCOME AT UCSC

Service animals are allowed anywhere on campus.

Approved **emotional support animals** are only allowed in and around their partner's residence and workplace, and when traveling to and from campus.

This means that most emotional support animals are not allowed in classrooms, dining halls, libraries, health services facilities, recreation facilities, playing fields, or at campus public events.

The UCSC Service and Support Animal Policy is compliant with the Americans with Disabilities Act (ADA), and the California Fair Employment and Housing Act.
